The Christian School of Grace Baptist Church seeks to prepare children to serve God in this life and the next, through teaching knowledge of His Word and its application to our Christian faith and practice. This includes loving, sacrificial service to others. Using a traditional classroom approach to impart basic academic skills, students are taught by qualified, godly teachers who use a long-established course of study. The school strives to assist Christian parents with the spiritual, intellectual, physical, social and creative development of their children. The Christian School has been serving the Carlisle community since 1968.

Each year approximately 20% of the students receive some level of financial aid in order to attend the school. The proceeds of the tournament help fund these students' tuition.
